

Air New Zealand Honours Toll Global Forwarding in Shanghai

November 2010

On 11 October 2010, Air New Zealand hosted a cargo agent award dinner at the New Zealand pavilion, inside the World Expo site in Shanghai.

The event was well attended by suppliers and partners from around the world. Guests were invited to explore New Zealand culture with a day in the life style exhibition and a chance to understand the true Kiwi culture. Entertainment was provided by a live performance from Maori traditional dancers, and typical cuisine.

As well as understanding the culture and customs of New Zealand, Toll Global Forwarding was awarded for its partnership and outstanding support to Air New Zealand. The team was presented a "Citation of Excellence" plaque at the event.

Toll Global Forwarding in Shanghai would like to take this opportunity to thank you our overseas colleagues and sales team for a job well done. We look forward to continue to work with Air New Zealand in 2011.
