

Standard Trading Terms and Conditions – Nordics

All services rendered are subject to the General Conditions of the Nordic Association of Freight Forwarders (NSAB 2000).

Under these conditions our liability for loss of, deterioration of or damage to goods is limited to SDR 8.33 per kg and our liability for delay is limited to the amount of the freight, but not exceeding SDR 50,000 per order.

In connection with storage, the freight forwarder's total liability for damage is limited to SDR 500,000 for any incident of damage occurred (clause 27). Special attention is directed to the stipulations that claims against the freight forwarder are statute-barred after one year (clause 30) and that the lien on goods (clause 14) applies to both current and previous claims. Claims for freight etc. must be honoured regardless of the terms of delivery under the contract of sale or freight agreement (clause 10).
